27 December 2011

Copy No 25

Cabinet

38 Oxley Road

Cabinet members were unanimous that 38 Oxley Road should not be demolished as I wanted. I have reflected on this and decided that if 38 Oxley Road is to be preserved, it needs to have its foundations reinforced and the whole building refurbished. It must then be let out for people to live in. An empty building will soon decline and decay.
