

*Prime Minister  
Singapore*

3 April 2009

Dear *Dato' Seri Najib,*

Congratulations on your appointment as Prime Minister of Malaysia.

You have served Malaysia for many years before becoming Prime Minister. I am confident that Malaysia will continue to prosper under your stewardship.

Malaysia-Singapore relations are multi-faceted. Our countries are connected by history, geography and family ties. We share common interests in many areas, not least in keeping our economies and region stable during this global economic crisis. We have much to gain by working together bilaterally, regionally and internationally. I look forward to working closely with you to further enhance our warm relations and mutual cooperation.

Ho Ching and I offer our best wishes to you and Datin Seri Rosmah. We hope to welcome both of you in Singapore soon for your introductory visit. I also look forward to meeting you in Pattaya for the 14th ASEAN Summit and related Summits from 10-12 April 2009.

Yours *sincerely*

*Lee Hsien Loong*
